

RECORD EACH ROUND ON THE FREE SMARTPHONE APP

Each time you play, simply log on and update your information in real time, adding to your collection.

BENEFITS

- ✓ Record all the essential information: course name, date, weather, number of holes, etc.
- ✓ Connect with your friends.
- ✓ Capture moments while you play and upload your photos to your course collection.
- ✓ Store the gross score of every game.
- ✓ Keep a record of each round played.

YOUR PERSONAL COLLECTION

Keep a record of every round you have played and add future games to your personal collection. Build on your golfing experience with our prestigious and original collection levels. Whatever standard and however often you play, you can work towards completing each collection.

SILVER 50 golf courses

The first level, to tee off your collection.

PLATINIUM 100 golf courses in 5 countries

Collect at least 100 courses, but your collection must include at least 5 courses in 5 different countries.

GOLD 100 golf courses on the 5 continents

Join the legendary club of players who have played courses on every continent.

DIAMOND 100 of the world's finest golf courses

Join this exclusive circle of golfers who have played on the finest and most prestigious courses around the world.

JOIN 100GOLF

It's free to tee off your collection, work towards the first SILVER objective and take part in the challenges. There are then two fee-paying options enabling you to work towards the higher levels, plus a host of additional benefits and services. Earn a discount by referring your friends.
